

Link Mats

Assembly instructions

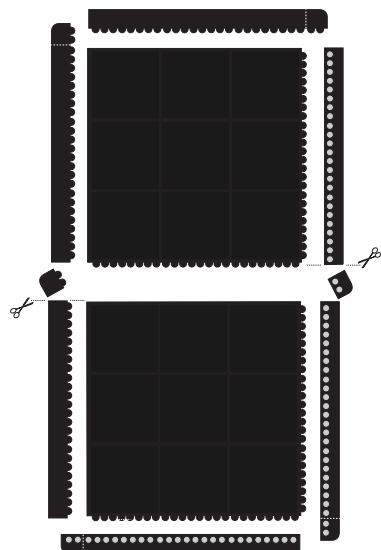

The edges are available in two different designs, female and male. Both have corners that can be cut away if necessary.

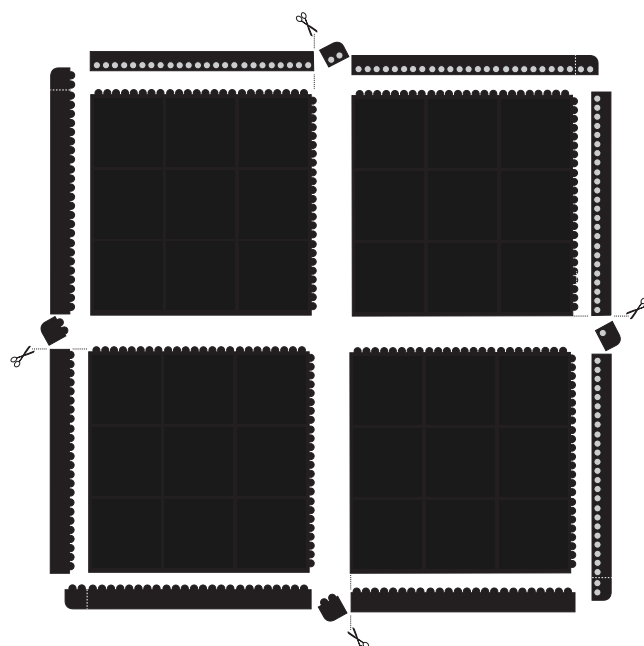

Example 1

- 1 mat
- 2 edges female
- 2 edges male

Example 2

- 2 mats
 - 3 edges female
 - 3 edges male
- Total area: 1,62m²

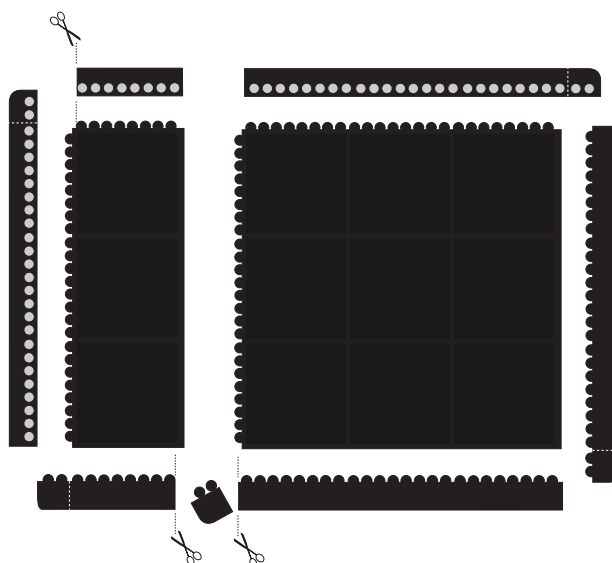

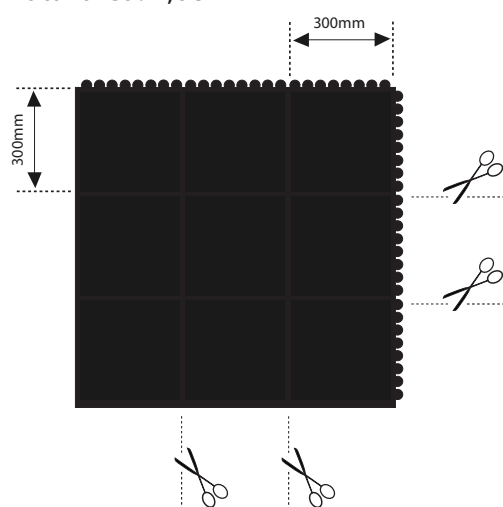

Example 3

- 4 mats
 - 4 edges female
 - 4 edges male
- Total area: 3,25m²

Example 4

- 2 mats (1 divided)
 - 3 edges female
 - 3 edges male
- Total area: 1,08m²

Each mat can be divided into squares (30x30cm) and still retain its ability to be connected with another mat or border.
